https://www.eastwestseed.com

SCALING IMPACT THROUGH SEEDS AND FARMER EDUCATION

650+
seed varieties offered on 80 crops

14
countries with direct presence

83
countries receiving direct exports

798,000
farmers trained

Smallholder farmers in Cambodia face low productivity due to limited access to high-quality seeds, inadequate market knowledge, and climate-related challenges.

East-West Seed Cambodia provides **affordable, improved vegetable seeds and works directly with farmers, agro-dealers, and distributors** to increase agricultural productivity and resilience. The company also offers technical training, covering climate-smart farming, market demand alignment, and sustainable practices. **30% of the company's services target women.**
